Final report by NSS UNIT

As per action plan prepared by NSS volunteers in meeting held on 03/01/2017. Final report being submitted for NIT, Campus & Anu market based on survey conducted. It has been observed that in maximum shops one or more cashless payment facility are available in the Campus and more than 50 % Vendors have digital payment facility. The detail of report of both the market being listed below along with survey performance divided by NSS unit.

A) NIT Campus

- i) NSS volunteers visited residences of employees and labours residing in the campus and made aware about benefits of digital payment and ask them to adopt cashless payment system during shopping.
- ii) NSS volunteers visited the shops in NIT campus and observed that out of 16 shops 13 shops have either Paytm/Swipe Machine/Bank Credit Card/Bank Apps facility which is result of motivation by NSS volunteers towards cashless payment.

B) ANU Market (Adjoining NIT)

No. of shops visited	-	54
No. of customer attended	-	100
No of shops where one or more facility available	-	30
