STRENGTHS OF NIT HAMIRPUR

National Institute of Technology , Hamirpur conducts various programs including Bachelor's Degree in Technology, the Dual Degree i.e. Bachelor-cum-Master of Technology program , Masters of Technology programs and PhD programs. The admission criteria for all these programs is very competitive and depend on the particular program.

The academic year is organised around the semester. There are two semesters in a year. NIT Hamirpur follows a 10-point CGPA scale, with a rigorous examination procedure consisting of one mid-semester exam and an end-semester exam. Apart from that, the courses may involve short projects, term papers ,self study assignments, and class tests help to keep students on their

NIT Hamirpur continues to produce world-class graduates and post graduates year after year. Particularly noteworthy is the increase in the number of post-graduates, both at the Masters and Doctoral levels who continue to be immediately absorbed by industry and academia all over the world.

Our graduates are an integral part of India's growth story. The nation's best education system, along with the best facilities, has ensured that our students achieve excellence in their chosen fields.

I am certain that our students, with help of the Placement Office, will find their dream jobs. Equally, I am sure the organization will appreciate the association of our students.

I appreciate the Placement Office for their untiring efforts and wish the students all the best in Placement 2017-2018.

Best Regards,
Prof. Ajay k.Sharma

Director's Message

VISION

To build a vibrant multicultural learning environment founded on value based academic principles, wherein all involved shall contribute effectively, efficiently and responsibly to the nation and global community.

MISSION

To meet the demand of quality technical human resource at national and international level and achieving objectives which are :

- To develop technical and managerial skills by providing regress and application oriented education.
- To achieve excellence in technical and management education and research with innovative and skillful conviction.

I take immense pleasure in welcoming you to the picturesque campus of NIT Hamirpur. Being a premier technical institute of the country, NIT Hamirpur has maintained a rich tradition of pursuing excellence.

The achievements of our alumni, some of whom have distinguished names in their respective fields, speak volumes to our commitment towards meticulous academic and non-academic atmosphere.

I would take this opportunity to invite you for the recruitment of the batch of 2017. NIT Hamirpur offers a large talent pool to recruit from, with a wide range of specialisation at different levels.

I sincerely look forward to a warm and endearing relation between your reputed organisation and NIT Hamirpur in the near future.

Best Regards,
Dr. Somesh Kumar Sharma

TPO's Message

National Institute of Technology Hamirpur is one of the thirty NITs of the country. It was established in 1986 as Regional Engineering College, a joint and cooperative enterprise of the Govt. of India and Govt. of Himachal Pradesh. Presently, the institute enjoys an autonomous status and became NIT in 2002.

It provides Undergraduate, Postgraduate and Doctorate education in Engineering, Architecture, Sciences and Humanities. It helps in fostering the spirit of national integration among the students, a close interaction with industry and a strong emphasis on basic and applied research. The institute has been declared as the Institute of National Importance under the Act of Parliament, 2007.

The institute is located on the footsteps of Shivalik Range and provides a panoramic beauty of snow-covered Dhauladhar Ranges. Over a period of time, the institute has made its place amongst the leading technical institutions of the country. Institute offers Ph.D., M.Tech, B.Arch and accredited B.Tech. Programs in Civil, Mechanical, Electronics, Electrical, Chemical and Computer Science that justify our reputation as a centre of higher learning. Excellent infrastructure, congenial teaching learning ambience, committed faculty, significant contribution to research work and commitment to the community are our hallmark.

About the Institute

Leveraging our academic depth, a diverse and cooperative culture, NIT Hamirpur aims to deliver a distinctive leadership and technical educational experience.

Graduates and post graduates of our standard-setting programs will provide an effective man force to the industry. Our programs combine knowledge with action to gain skills that produce results and technical efficiency. We offers an array of opportunities for education, personal and career development, community involvement, and social interaction. In the classroom, students get the latest in both theory and practical applications from teachers and scholars.

In our program, traditional technical education is complemented with high-impact, hands-on professional development. Our Engineers work within esteemed organisations and develop valuable skills in areas like field knowledge, entrepreneurship, leadership, teamwork, and decision-making. We produce skilled work force who set a high standard for effectiveness and leadership.

Departments at a Glance

DEPARTMENT OF ARCHITECTURE

ABOUT

The department of architecture was established in 2000. The department has been imparting quality education to B.Arch. & M.Arch. students by reviewing its curricula from time to time, modernizing its laboratories with state of the art equipments and latest software.

The classrooms are well equipped with all modern electronic audiovisual facilities. Presently, the department offers a five-year undergraduate course which includes semester training and two year M.Arch. as per the norms of the Council of Architecture. The department has a very cognitive work environment where innovation is encouraged. Students and teacher interaction levels are very high, to the extent that each teacher knows the strengths of each of his students. The Institute also offers MHRD scholarship to GATE qualified candidates

RESEARCH AREAS

- Landscape Architecture and Sustainable Dev.
- Architecture and Planning
- Urban and Regional Planning
- Architectural Design
- City Planning
- Climate Response Architecture
- Building Construction
- Sustainable/ Energy Efficient / Green
- Building Design
- Building Services
- Intelligent Building

DEPARTMENT OF CHEMICAL ENGINEERING

RESEARCH AREAS

- Supercritical Fluids
- Solid Electrolytes
- Solar Thermal

ABOUT

Established in the year 2013 it is one of the most energetic branch of NIT-Hamirpur. The department consists of a capable and young faculty and hence is been imparting quality education to the pupils.

The Department is provided with a separate housing which include best laboratories facilities coupled with spacious classrooms. The students have been interning in various MNCs and research centers in and outside India, hence the capability of the students is unquestioned. Various guest lectures and workshops on softwares like ASPEN PLUS, MATLAB and Simulation have been conducted which equips the students with the best skills.

DEPARTMENT OF CIVIL ENGINEERING

ABOUT

National Institute of Technology Hamirpur was established in the year 1986 and the Civil Engineering Department is part the institute since its inception. Civil Engineering is considered to be the most versatile branch among all the engineering branches.

It is the branch with lot of diversity with topics like structural to transportation engineering , environmental to hydrology to hydraulics engineering, geology to geo-technology to earthquake engineering; Civil Engineering can be considered as a single largest branch among all the engineering branches. Being one of the primary engineering departments of the institute , the Department of Civil Engineering offers B.Tech , M.Tech and

RESEARCH AREAS

- Environmental Engineering
- Hydrology and Water Resources
- Soil Dynamics and Earthquake Engineering
- Transportation Engineering
- Geotechnical Engineering
- Structural Engineering
- Irrigation & Hydraulics

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

RESEARCH AREAS

- Computer Architecture
- Wireless Sensor Networks
- Parallel and Distributed Processing
- Data Mining
- Artificial Intelligence
- Reconfigurable Computing
- Mobile Computing
- MANET

ABOUT

The Department of Computer Science and Engineering established in 1989, has an outstanding record of contributions to the profession and community. The major aim of the department is to enable students to acquire specialized knowledge in various subjects of Computer Science & information technology, as well as to enrich the students personal, social and cognitive development to meet challenges of today.

The department has well equipped laboratories. The department is equipped with computers, softwares and latest IT infrastructure, and our students are exposed to up-to-date equipments, technology and techniques. Students graduated from this department are employed in different prestigious institutions and organization home and abroad. Department promotes philosophy of open source technology and extensively utilizes, promotes and participates in the development of various

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ABOUT

Established in the year 1988, the Electronics & Communication Engineering (E&CE) Department NIT Hamirpur HP, has built an international reputation for excellence in teaching, research and service. Electronics engineers are changing the world to a comfortable global home.

E&CED is making exhilarating progress in areas ranging from microelectronics, mobile communications to VLSI Design Automation. In labs and classrooms, students draw on the expertise and knowledge of our able faculty, integrating practical, hands-on research experience with challenging and interesting course-work.

In an age when electronics play a major role in daily life and the promise of nanotechnology is coming to fruition, it truly is a great time to be a part of E&C

RESEARCH AREAS

- Low Power High Speed Interconnects
- Wireless Sensor Networks
- Nano Electronics and VLSI
- Control Systems
- Microelectronics
- Optical Fiber Communication
- Low Power VLSI & RF Design

DEPARTMENT OF ELECTRICAL ENGINEERING

ABOUT

Electrical Engineering Department, established in 1986, is one of the oldest departments of National Institute of Technology, Hamirpur. The department has been imparting quality education at undergraduate and post graduate level. The faculty members have been active in teaching and research activities.

The course curriculum is being revised from time to time so as to keep abreast with the latest developments and emerging technologies. Various departmental laboratories have been strengthened and modernized by procuring state of the art equipment's. The department is equipped with the latest experimental and computational facilities for taking up R&D and consultancy activities in different areas of

RESEARCH AREAS

- Transformer Diagnostics
- DSP
- Deregulated Power Sector
- Congestion Management
- AI Applications in Power System Analysis
- Power Generation Operation & Control
- ANNA
- Evolutionary Algorithms
- Fuzzy Systems
- Electric Power Quality
- Power System Engineering
- Statistical And Adaptive Signal Processing
- Instrumentation and Control
- Power Electronics And Drives

DEPARTMENT OF MANAGEMENT STUDIES

ABOUT

Established in the year 2015, it is the youngest department of NIT-Hamirpur. The department consists of a capable and young faculty and hence is been imparting quality education to the pupils. The Department offers a redefined industry oriented MBA Program in contrast to traditional business education.

NITH's approach to post graduate study reflects an emphasis on an individual student's ability to work independently, to take initiatives in exploring a line of research or acquiring new skill or identify and remedy a perceived area of weakness

RESEARCH AREAS

- Technology Management
- Environment Management
- Operations Management
- International Business
- Human Resource Management

DEPARTMENT OF MECHANICAL ENGINEERING

ABOUT

The Department of Mechanical Engineering came into its existence right from its inception of the then Regional Engineering College Hamirpur (now National Institute of Technology Hamirpur) in the year 1986 and served as catering department to other disciplines.

The department has a separate building housing the various laboratories viz : Strength of Materials , Theory of Machines , Dynamics of Machinery , Mechanical Measurements and Control, Heat Transfer ,Refrigeration & Air Conditioning, Turbo Machines, Production, CAD/CAM, Metrology & Heat Engines, lecture rooms, seminar room, faculty chambers and office. Our graduates are well placed through on-campus and off-campus placement and are holding responsible positions in Industries and Research organizations Viz. Hero Honda, Maruti Udyog, NTPC, L&T, ABB, Wipro, Satyam DRDO etc. The campus placement has been nearly 100% for pre final and final years with

RESEARCH AREAS

- Thermal Engineering
- Energy And Power
- Tribology
- Cad/Cam/Cim
- Manufacturing
- Tribology
- Industrial Engineering
- Solar Energy And Heat Transfer
- Cfd
- Production Engineering
- Design
- Parametric Modelling
- Optimization
- Defence And Aviation

Facilities at NIT Hamirpur

H O S T E L S

There are ten hostels in the institute, eight of these are for boys. Two hostels are for the girls numbering 300 at present. The names of the hostels are based on the famous mountain ranges of Himachal Pradesh. The hostels are in perfect shape and provide all the modern facilities to the students.

Each hostel has got its own mess which is run by the students themselves, under the control of the Chief Warden (Hostels). The food served is nutritious and the menu is decided by the students themselves. Some of the hostels have solar heating system, recreation hall, badminton court and table tennis tables. There is separate gymnasium for the boys and girls with the latest machines for their work out.

Library building having the floor area of 1200 square meters. The library has got the seating capacity of 100 readers in reading halls and 50 readers in Audio-Visual Hall. Library follows the open access system, it facilitates the users to browse and pick up the documents of their choice without any hindrance.

L I B R A R Y

H E A L T H C E N T R E

NIT Hamirpur has its own dedicated health centre for the better health care of its students and staff. It is equipped with basic medical facilities and in case of emergency, patients are referred to the Zonal Hospital, Hamirpur.

The medical facilities are available free of cost to the students. The OPD timings are 9 am to 5 pm.

The doctor on emergency duty is available 24 Hrs. Round the clock ambulance is available on a telephone call 110.

Open Air Theatre has a seating capacity for 600 persons. Conducting International, National Conferences and The annual cultural fest Hill'ffair is organized in OAT.

O P E N A I R T H E A T R E

Facilities at NIT Hamirpur

AUDITORIUM

Fully air conditioned Auditorium with a capacity of 722. It also has a Students' Art Gallery and two seminar halls equipped with all modern facilities for holding Convocation.

NIT Hamirpur has a Women Cell. It helps the girl students and female staff of the Institute to address their grievances regarding violence & harassment cases, if any. It also makes them aware about their rights and women empowerment.

WOMEN CELL

ALUMNI CELL

Institute has an Alumni cell. Students organize alumni meets regularly both at the institute and at different cities within & outside the country to keep in touch with the alumni.

TRANSPORTATION

The Institute has a fleet of buses to conduct the Educational Tours of students. The Institute provides free bus services for the benefit of students and staff to commute from various pick up points.

GUEST HOUSE

A furnished Guest House overlooking the dense pine trees is available for the parents and visiting experts.

CUISINE

A well furnished Indian Coffee House caters to the needs & tastes of the students from diverse backgrounds. It serves different cuisines and nutritious meals and has a capacity to host 150 students in a single sitting. Institute also has a Nescafe Booth, Verka Booth, HPMC Booth, 4H Canteen and Juice Bar on its premises to cater to the needs of the students, faculty and staff.

VIVEKANANDA BLOCK

(Modern Lecture Hall Complex)
The complex comprises of 22 Lecture Halls, equipped with all modern audio video facilities.

NITH is one of the premier technical institutes in northern India. The institute is not only well known for academic excellence but also offers excellent opportunities, converting very wide range of sports activities. The institute provides sports facilities for both indoor and outdoor games. At Institute level inter year and inter branch matches in variety of games form the regular sports event of the year. Sports Deptt. organizes inter branch tournament in the odd semester for both Boys and Girls. In the even semester there is inter year tournament for both boys and girls every year. The Annual sports function "Lalkar" is held every year in the month of March. All students participate overwhelming in this grand event.

No plant can grow into a tree and no tree can live unless it has a strong bond with its roots. Roots provide the basic nourishment, sustain and develop the plants. Just like plants humans too have roots that sustain us, nourish us and help us develop our culture.

We at NITH stay strongly connected to our roots. We believe in preserving our cultural heritage as well highlighting and showcasing it. To put this to effect, various cultural events are organized and provide a platform to our budding artists to explore and showcase their talents. Independence Day, Republic Day, Hindi Diwas are celebrated with great patriotism; SPIC MACAY events are also organized by Cultural Clubs of NITH alongwith Hill'ffair.

Hill'ffair is a major cultural extravaganza that brings together all students of NITH & of other institutions.

Hill'ffair showcases the ever high spirit of NITH.

Hill'ffair-2016 with the theme Comicon: Relish the Unreal was inaugurated by Prof. Ajay K Sharma, Director NIT Hamirpur and celebrated from 4-6 Nov 2016.

Nimbus is the annual tech fest of National Institute of Technology Hamirpur. It witnesses an overwhelming participation of around 3000 students across the nation.

GLIMPSE INTO PLACEMENT CELL

- The Placement Office at NITH or the Placement cell sends invitation to companies/organizations along with the relevant information.
- Interested students who show their willingness to appear for the recruitment process of a company forward their names to the Training and Placement Officer through the Training and Placement Representatives.
- Placement Office allots dates in consultation with the companies for campus interview as per mutual convenience.
- Companies can view resumes of interested students and shortlist students as per their norms.
- Companies visit the campus on the allotted dates and conducts tests and/or interviews according to their recruitment process.
- The company/organization is required to furnish the list of the students on the date of interview.
- The placement office records jobs corresponding to the students selected. Students once placed may not be allowed to appear for their interview for other interviews as per the institute placement policy.

How To Reach NIT Hamirpur

Road Link

The campus is situated at Anu in Hamirpur district of Himachal Pradesh and is 2 kms from the main bus stand of Hamirpur on Hamirpur-Toni Devi Road. The city of Hamirpur is well connected with the rest of the country by road. Hamirpur is at a distance of about 480 kms from Delhi and 200 kms from Chandigarh. Himachal Roadways and Himachal Tourism buses are available on these routes. The bookings for buses can be done on the HRTC & HPTDC websites

Rail Link

The nearest broad gauge train head is at Una (Himachal Pradesh) at a distance of 72 kms from Hamirpur. Una is well lined to all parts of India and the journey is of about 10 hours from Delhi. Two trains (Himachal Express & Jan Shadabdi) ply between Una Himachal (UHL) and Delhi throughout the week. Taxi/Bus services are available from Hamirpur to Una & back.

Air Link

The nearest airport is at Dharamshala (Gaggal, district Kangra) which is about 75 kms from Hamirpur. Currently, two flights (Air India and SpiceJet) are operational between Delhi and Gaggal on a daily basis. Regular flights are also available up to Chandigarh, which is situated about 200 kms from Hamirpur. For more details, kindly visit the websites of the corresponding airlines

Awards & Appraisals

National Institute of Technology, Hamirpur has been honored by **ABP NEWS WITH BEST GOVERNMENT ENGINEERING COLLEGE AWARD-2013** " in the function of ABP news National Best School Awards-2013 held on 29th June 2013 at TAJ Lands End, Mumbai. the award is received by Dr. Kuldeep Kumar Sharma Associate Professor & Coordinator Informatics Centre NIT, Hamirpur on the Behalf of Prof. Rajnish Shrivastava Director NIT, Hamirpur In the presence of Dr. R. L. Bhatia Founder Project Director National B-School Affairs and World Education Congress and other distinguished jury members , Education ministers and Senior Leaders . The endeavor was to pay a tribute to temples of learning and Gurus who shaped the destinies of future creators. Professor Rajnish Shrivastava Congratulated faculty, staff and students of NIT, Hamirpur for this achievement and said that it is a proud moment for NIT, family that our efforts are being recognized by the industry leaders and these awards will definitely inspire us to strive hard in order to develop our institute as global center of excellence in every sphere of life including academic and research. Prof. A.S. Singha Registrar, NIT, Hamirpur also congratulated all and said that it is the result of the collective and continuous efforts, diligence and team spirit of all faculty , staff members and students of NIT, Hamirpur under the dynamic leadership of Professor Rajnish Shrivastava who has been always continuously inspiring , guiding and motivating us.
