

**Noted Alumnus Speaks,
National Institute of Technology Hamirpur**

Photograph	Batch: 2018-20	Alumnus' view about the Institute
	Branch: M.Sc. Physics	The institute shaped my career with strong academics, inspiring mentors, and lifelong friendships. When I joined the institute the M.Sc. course was just started my batch was the 2 nd batch of M.Sc. But the support and hard work of the faculty and staff of the department and institute was very good and still they are supporting the alumni in every possible way.
	Name: Parveen Kumar Designation: Ph.D. Scholar , NIT Kurukshetra.	

Photograph	Batch: 2020-22	Alumnus' view about the Institute
	Branch: M.Sc. Physics	NIT Hamirpur is a beautiful campus with pleasant weather and a calm environment for learning. The teachers are highly supportive and always willing to guide students in academics and research projects. The facilities are impressive, including a wonderful library, dedicated study spaces and food court. The institution provides access to advanced facilities and instruments, supporting students' research interests.
	Name: Ms. Yashwinder Designation: PhD Scholar NIT Durgapur, West Bengal	

Photograph	Batch: 2021-23	Alumnus' view about the Institute
	Branch: M.Sc. Physics	NIT Hamirpur is a distinguished institute among the NITs in India, offering students the opportunity to explore diverse fields of science and technology in a serene and focused environment. The dedicated support and expertise of its faculty members provide students with specialized guidance, enabling them to grow into accomplished professionals in their respective domains. In addition, the institute's residential facilities and dining services are of high quality, creating a supportive atmosphere that helps students achieve their academic and personal goals.
	Name: Mr. Yash Saraswat Designation: PhD student at Indiana University, Bloomington, USA.	

Photograph	Batch: 2021-23	Alumnus' view about the Institute
	Branch: M.Sc. Physics	My journey at NIT Hamirpur during the M.Sc. Physics program has been a truly transformative experience. The rigorous curriculum, along with the guidance and constant support of the faculty, helped me build a strong academic foundation and inspired me to pursue research more deeply. The well-equipped laboratories and the vibrant academic environment encouraged hands-on learning and critical thinking, which proved invaluable in preparing me for advanced research. The collaborative atmosphere among peers and the values I gained at NIT Hamirpur continue to guide me in my academic path.
	Name: Ms. Rinku Boora Designation: PhD Research Scholar, Department of Physics, IIT Roorkee.
