

Experts views about National Institute of Technology Hamirpur

Events name/ Experts lecture and dates	Expert photograph	Experts view about the institute
<p>One day workshop on “Quantum annealing and optimization” in view of NIMBUS 2026 on 25th March, 2026.</p>		<p>NIT Hamirpur is a beautiful hilly campus with strong fundamentals in engineering, science, campus life, and placements.</p> <p>The different activities conducted by students society and club help students to explore opportunities beyond academics.</p> <p>It was truly inspiring to interact with such enthusiastic and curious students, eager to explore emerging technologies shaping the future.</p> <p>I think one of the most scenic campuses among NITs, offering a peaceful academic environment.</p>
<p>Organizing department/Centre/section/society: Abraxas, Departmental club of Physics and Photonic sciences</p>	<p>Expert name: Dr. Indranil Misra</p>	
<p>Co-ordinator/ Organizing secretary: Dr. Arvind K. Gathania</p>	<p>Designation and Affiliation: Scientist / Engineer in Space application Center, ISRO</p>
