thereof, mean and include its successors, executors and permitted assigns) of the **Second Part**.

Both NITH and NPTI are referred to individually herein as a "Party" and collectively as the "Parties"

WHEREAS, NPTI is among the World's leading integrated power training institutes, one of its kind covering a wide gamut of academic and training programs in the Power Sector. NPTI with its existence of over five decades, operates through its Corporate Office at Faridabad and institutes at New Delhi, Bengaluru, Neyveli, Durgapur, Guwahati, Nagpur and upcoming institutes at Alappuzha and Shivpuri, thus having its presence in the entire country.

NPTI has trained over 3,37,900 Power Professionals in regular Programs over the last 5 decades. NPTI's committed faculty is providing excellent training in the Power Sector, which is the most important sector amongst the various infrastructure sectors. Training provided by NPTI on Generation Simulators has improved Plant Load Factor of Generating Units, has increased the availability of Transmission & Distribution Systems and has decreased Aggregate Technical & Commercial Losses. This in turn is providing more power to the country. Thus the training being provided by NPTI is having a cascading effect in the growth of GDP and economy of the country.

WHEREAS, National Institute of Technology Hamirpur (HP) is one of the thirty-one NITs of the country, established in 1986 as Regional Engineering College, as a joint and cooperative enterprise of the Govt. of India and Govt. of Himachal Pradesh. The institute provides Undergraduate, Postgraduate and Doctorate Education in Engineering, Sciences, Architecture, Humanities & Management; fostering the spirit of national integration amongst the students, a close interaction with industry and a strong emphasis on research, both basic and applied.

Both **NITH** and **NPTI**, therefore, agree to work together in an integrated and collaborative manner in relation to Electric Power Sector including Renewable Energy Sector covering industry, utilities and all other involved stakeholders.

1. Broad Areas of Cooperation for mutual collaboration

NITH and NPTI have identified the following areas of mutual interest for academic and research collaboration:
