आदरणीय महोदया /महोदय,

"Announcement"

Bharat Def-Space Summer Internship 2026

Subject: Kindly circulate this communication to all students and faculty and encourage their active participation in the **Bharat Def-Space Summer Internship 2026**. As part of the broader **Defence-Space Education and Innovation for Innovators and Learners**, Institutions are also invited to participate in a series of workshops for new learners in **Artificial Intelligence, Aircraft Design Technology, Advanced Drone Technology (Air Taxi), Defence Drone Technology, Rocketry Design, and Robotics Design**. In addition, dedicated workshops will be organised to commemorate National Technology Day (11 May 2026), Def-Space Innovation Week (18-22), and National Space Day (23 August 2026). -Reg.

Following the notice issued on December 8, 2023, regarding the online meeting on "Viksit Bharat @2047: Voice of Youth," referenced as F.1-1/2023(secy/ViksitBharat@2047), we are pleased to announce that the Prime Minister has launched "Viksit Bharat @2047" on December 11, 2023.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These initiatives are designed to enhance and promote defence & space education, research, and development across the nation. A key highlight is the celebration of National Space Day on August 23, which underscores India's commitment to fostering innovation and scientific excellence in space exploration. In alignment with the Viksit Bharat Abhiyan@2047.

Vision of Viksit Bharat Abhiyan @2047

Bharat Def-Space Summer Internship 2026 6 Tech Domain & Projects

Bharat Space Education Research Centre: Def-Space Summer Internship 2026 | भारत अंतरिक्ष शिक्षा अनुसंधान केंद्र: ग्रीष्मकालीन इंटरशिप एवं तकनीकी प्रशिक्षण कार्यक्रम |

Internship Overview :

The **Bharat Space Education Research Centre** is pleased to announce the **Def-Space Summer Internship 2026**, a flagship **45 Days** intensive online initiative under the **Def-Space Education and Innovation** is open to undergraduate and postgraduate students from universities and colleges across all recognised Institutions.

This structured summer Internship delivers high-quality, hands-on education in Space Science, Defence Technology, and Emerging Technologies to all the candidates. It cultivates innovation, technical proficiency, and career awareness among young learners, advancing India's **Viksit Bharat @2047** vision and the **Atmanirbhar Bharat** commitment to technological self-reliance.

Eligibility Criteria for Meritorious Candidate :

Selection will be strictly **merit-based**, through the Bharat **Def-Space Summer Internship Examination 2026**, which will assess candidates on **Class X-XII Mathematics, Science, and Logical Reasoning**. Eligible students from Science, Engineering, and related disciplines may apply in accordance with the prescribed eligibility guidelines.

Total number of seats for meritorious candidates: 1,150.

Examination Date : 7th June 2026

Result Declaration : 14th June 2026

Registration Link: <https://bserc.org/bsercinternship/summer-internship>

Note: Meritorious candidates are required to pay only the examination fee; the training cost for selected candidates will be fully borne by Bharat Space Education Research Centre under the **Bharat Def-Space Innovation Corridor** for **Viksit Bharat Abhiyan @2047**.

Lateral Entry

Registration for Lateral Entry: Does not involve an examination process. Bharat Space Education Research Centre is pleased to announce an opportunity for **Officials, Faculty, Research Scholars, and Students** to engage in lateral entry into their preferred technology areas. This initiative does not involve an examination process.

Total Number of Seats for Lateral Entry : 350 Seats

Mentorship Opportunities

Def-Space Summer Internship 2026 – Mentor Registration

Bharat Space Education Research Centre (BSERC) invites experienced **Professionals, Educators, Researchers, and Practitioners** from the fields of Defence, Space Science, Engineering, Computing, and Emerging Technologies to serve as mentors for the Def-Space Summer Internship 2026.

Mentors will guide selected students in conceptualising, developing, and completing their innovative project ideas, while providing technical feedback and academic support throughout the internship. In recognition of their contribution, mentors will receive the **Bharat Def-Space Summer Internship Mentorship Certificate** and may be eligible for a nominal honorarium through Def-Space Tech Interns. Selected mentors will also have the opportunity to collaborate with Bharat Space Education Research Centre and student teams on future initiatives in Research, Innovation, Workshops, Training, and project-based programmes.

Def-Space Summer Internship 2026 Programme Timeline and Format

- Duration: 6 weeks (42 days)
- Summer Batch 2026: 19 June – 30 July 2026
- Format: Fully virtual, with live interactive sessions complemented by recorded lectures
- Schedule: Fridays to Sundays, 2–3 hours per day

Designation: Def-Space Tech Intern

Project Work Schedule

Dedicated project activities scheduled from Monday to Thursday.

6 Core Technology Domains

The programme delivers age-appropriate, progressive instruction across the following specialized domains:

- Advanced Rocketry Design & Launch Systems
- Defence Drone Technology and Tactical Applications
- Air Taxi & Next-Generation Drone Systems
- Aircraft Design Principles and Simulation
- Robotics Engineering and Automation
- Artificial Intelligence Fundamentals and Real-world Applications
- Space Entrepreneurship

Def-Space Summer Internship Highlights

Dedicated modules on career prospects in Defence & Space Science, Computing, and Advanced Technologies, covering:

- Emerging roles in Defence Technology, Space Exploration, Unmanned Aerial Vehicles (UAVs), and AI-driven systems
- Interactive sessions with industry experts and mentors

पत्रांक: 5-15(डब्ल्यू.आई.)/बी.एस.ई.आर.सी./2026/220

दिनांक: 7 अप्रैल 2026

Key Programme Highlights

- Project-based learning with industry-standard tools and simulations
- On-demand access to recorded sessions for flexible, self-paced review
- Emphasis on foundational skills for careers in Defence, Space, and Advanced Technology sectors

Certification

- Bharat Space Education Research Centre issued Certificate of Participation.
- Merit Certificate awarded based on performance and project outcomes.

Registration:

Register for Def-Space Summer Internship 2026 via the official Bharat Space Education Research Centre Website portal or through given registration link and detailed brochure are provided below/attached.

Component	Indian Participants	Non-Indian Participants
Def-Space Summer Internship Examination Fee	₹500	Not applicable*
Lateral Entry Fee	₹1,750	US\$150
Def-Space Mentorship Registration Fee	₹1,000	US\$150

Note: Non-Indian participants must apply only through Lateral Entry, as the examination process option is not available for non-Indian students.

आदरणीय महोदय/महोदया | Respected Sir(s)/Madam,

To,

All the Institutions,

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These initiatives are designed to enhance and promote defence & space education, research, and development across the nation. A key highlight is the celebration of National Space Day on August 23, which underscores India's commitment to fostering innovation and scientific excellence in space exploration. In alignment with the Viksit Bharat Abhiyan@2047.

We kindly request all Institutions to disseminate this information widely among their Students and Research Scholars. We are pleased to invite all students and research scholars to participate in the Def-Space Summer Internship 2026 for Innovators and learners. Bharat Space Education Research Centre has implemented various nationwide initiatives to promote space education at grassroots level.
