Dear Sir/Madam,

With reference to the trailing mail, the required information is as follows:

S. No.	Questions Raised	Answers Provided
1.	Whether the Government is providing any support to prevent online frauds, phishing attacks and financial scams affecting rural internet users including those in Bengaluru Rural Parliamentary Constituency.	The institute is receiving a grant from the government of India under the project ISEA Phase III for mobile device security for promoting research. However, the same is not specifically for rural internet users.
2.	Whether any cyber awareness camps or grievance redressal training has been conducted in partnership with the State police or the district administration;	No such camps or redressal training camps have been conducted in partnership with state police or the district administration. However, many short-term training programs, workshops/awareness camps have been conducted in the past by the institute under the MeitY sponsored ISEA-phase III project.
3.	Whether the Government proposes to launch a localized public awareness campaign on cyber hygiene in regional languages?	This does not fall in the direct purview of the institute.

Subject: **Inputs for RSUQ No. 527 for 04.02.2026 regarding Outcome based education– regarding.**

Sir,

Kindly refer to your e-mail dated 30.01.2026 on the subject cited above, the requisite information is added below for your information and record, please:-

Point No.	Information Sought	Answer
a)	Whether ongoing regulatory and policy reforms aim to improve quality, accountability and outcome based education, if so, details thereof;	Yes. Ongoing regulatory and policy reforms have been incorporated in the Ordinances for UG/PG and PhD programmes of the Institute and have improved the quality, accountability, and outcome-based education. Institute has implemented the National Education Policy (NEP), 2020, which has resulted in competency-based learning, clearly defined learning outcomes, holistic and multidisciplinary education. Further, the revised Ordinances and Course Curriculum focus on outcome-based education which is being reflected in the increased placements in the Institute. Various initiatives have been taken in the Institute which are intended to ensure improved learning - outcomes, institutional accountability, and alignment of education with societal and employability needs.
b)	Whether Indian institutions are gaining improved global rankings, collaborations and academic recognition, if so, details thereof, if not, reasons therefor;	Yes, Indian institutions are gaining improved global rankings, collaborations and academic recognition. The faculty is encouraged to collaborate with reputed National & International Educational as well as R&D Institutes which is reflected through increased number of publications and patents at National and International levels. The curriculum has been revised incorporating provisions of NEP-

		2020. The academic, R & D and sports infrastructure has been improved a lot, which has shown results in improvement in ranking and placement. Presently our NIRF has been improved from previous Rank 100-150 to 97 in NIRF 2025 and we reentered into top 100 NIRF ranked Institutes. Our placement has been improved to 93% and one of our student is placed in the package of 3.40 Crore. This shows the overall improvement of our institute in all spheres.
c)	How institutional autonomy and academic freedom is being safeguarded and the future reform agenda for making India a global education hub; and	<p>Institutional autonomy and academic freedom are being safeguarded in the Institute by its Senate which ensures accountability and quality assurance. The National Education Policy (NEP), 2020 has been implemented in the Institute for promoting academic freedom and has enabled the Institute to design flexible, multidisciplinary curricula, adopt choice-based credit systems, reform assessment methods, and independently determine academic and research priorities.</p> <p>The Institute is contributing towards making India a global education hub by allowing the admissions of students from reputed foreign Institutes/universities through "Study in India" DASA and ICCR.</p>
d	Whether faculty development, research funding and innovation ecosystems have been strengthened; and	Yes
e	if so, the details thereof and if not, the reasons thereof ?	<p>The detail is under:-</p> <ul style="list-style-type: none"> <li>i) Innovation Centre has been set up in the Institute.</li> <li>ii) IIEC policy has been framed and IPR Cell established.</li> <li>iii) EV MAHA Mission project has been funded about 2.15 Cr by ANRF with collaboration other Institutes.</li> <li>iv) A project under SPARC Scheme has been awarded by SPARC.</li> </ul> <p>Further, the faculty of this Institute are encouraged for submission of research project proposals to different funding agencies as well as for filing of patents under faculty development.</p>
