

*E-CELL NITH in collaboration with IIC NITH presents*

# "MY STORY"

***A Motivational Session by Successful  
Entrepreneur/Startup Founder***

***DATE: 28 JANUARY 2022***

***TIME: 3pm-5pm***

## **ABOUT E-CELL NIT HAMIRPUR**

E-CELL NIT Hamirpur was established with the vision to create an entrepreneurial ecosystem for budding entrepreneurs and promote entrepreneurial growth in the institute. The prime objective of E-Cell is to help the students who are eager to become the entrepreneurs of the future in developing successful business ideas and hence transmuting them into their physical form. By creating a place where students can access entrepreneurial resources, network with community entrepreneurs, and share ideas, we hope to transform the individuals with creative minds from a set of "job seekers" to "job creators".

## **ABOUT IIC NIT HAMIRPUR**

Institution's Innovation Council (IIC), NIT Hamirpur was established as per guidelines of the Ministry of Education (MoE). the focus of IIC is to systematically foster the culture of innovation and start-up ecosystem in education institutions. The primary role is to engage faculty, students, and staff of NIT Hamirpur in various innovation and entrepreneurship-related activities such as ideation, problem-solving, proof of concept development,

design thinking, IPR, project handling, and management at Pre-incubation/Incubation stage, etc., so that innovation and entrepreneurship ecosystem gets established and stabilized.

## **ABOUT THE WEBINAR**

This Webinar provides a great opportunity to interact with the experts and to explore ideas and related information towards research and entrepreneurship. The participants will receive all the important and useful information related to some specific topics, which they can apply for their future improvement in their working field. The main objective of this Webinar is to provide industrial and research exposure to all the participants. This Webinar will cover some of the important aspects and challenges faced by a beginner as an entrepreneur during his/her journey along with the solution of these challenges to overcome. Further, this Webinar will be an opportunity for all the participants to get the new ideas and all the industrial requirements to set up a small and large scale business along with all the possible industrial and research opportunities.

## RESOURCE PERSON/SPEAKER

Dr. Sandip Patil is the Founder of E-Spin Nanotech Pvt. Ltd. He is an alumnus of IIT-Kanpur. He is a passionate researcher at the first place who is often proclaimed as the epitome of entrepreneurship at IIT-K. He specializes in the field of Nanotechnology and Adhesives. His keen interest in research is well-complimented by his strong publication track record in reputed journals. He is also a co-inventor of an Indian patent on composite reusable adhesive and that of a US patent which is under process. Some of his innovative work on the fabrication of composite reusable adhesives has been featured in scientific news in CNN (U.S. edition), Mint, and The Wall Street Journal. He is a recipient of many distinguished awards which stand as a testimony to his entrepreneurship and research abilities; it includes IChE Shah-Schulman Award for the best Ph.D. Thesis (2013), UICT Jalgaon alumni award for Young Entrepreneur (2013), Rajeev Motwani Young Entrepreneur award by Motwani Foundation (2014), and Indian School of Business Hyderabad Scholarship (2013)
