General Information:

National Institute of Technology (NIT) Hamirpur (HP) is organizing a short term programme, "Orientation Programme for Technical Teachers" from 25.07.2022 to 29.07.2022.

Candidates admitted to the orientation programme will have to arrange lodging and boarding at their own. However accommodation for the programme may be availed in Satpura Hostel of the institute subjected to availability

Objectives:

Teachers are the most vital component of the technical education system. In service training of teachers for up-gradation of their knowledge and development of professional skills plays a vital role in the development of the technical education system.

Orientation/training programme have been considered essential by the planners for assisting the teachers in familiarizing themselves with various skills and concepts as well as techniques of presentation to make their teaching and communication effective. Some of the concepts to be covered in this summer school include teaching learning skills, attitude, and research outlook, improving awareness about technical education and the society, environment, development of appropriate personality characteristics, NEP2020 and broadening of their outlook.

Learning is a continuous process and teacher should inculcate this habit in his/her life. With his objective in mind, a one week orientation programme has been planned for teachers of technical institutes.

Course Contents:

Pedagogy & Teaching Methodology
Teaching Tools & Aids
Online Teaching
Service and Conduct rules
Financial rules and regulations
Procurement processes (GeM)
Model Lectures
Communication Skills/interaction with students
