NOTICE

Subject: Advise to all the students for attending the Classes regularly

It has been observed that some students leave the campus during the Academic Session when scheduled Classroom Teaching Work is going on as per the Academic Calendar and this leads to huge academic loss to such students. This has been viewed very seriously by the Institute Authorities and in this regard the students are advised not to leave the Institute Campus during scheduled classroom teaching and attend their classes regularly, failing which strict disciplinary action shall be initiated against such students. Further, as per the Clause 8.1 of the Ordinances for Bachelor Programmes, if the attendance is less than 75%, then the marks obtained in Continuous Semester Assessment (CSA) will be reduced in proportion of deficient attendance less than 75%.
