Dated:- 18/11/2021

Dear Alumni

Greetings from NIT Hamirpur!

Hope you are doing fairly well in your job and earning laurels for yourself as well as for your parents/guardians and NIT Hamirpur i.e. your Alma Mater.

NIT Hamirpur is marching ahead by imparting quality technical education to the students and by contributing through research & quality teaching towards development of our beloved country India. The Institute is on a continuous path of progress.

In response to new challenges and unforeseen circumstances, I would like to make a personal appeal to all the Alumni to share their valuable time, vision, resource (physical and monetary), expertise, guidance for Project/ internships, mentoring and career counseling etc. for the benefit of fellow alumni, students and Alma Mater.

Alumni engagement is significant and is of vital importance for building institution's reputation and brand. Alumni support and vision are the hall marks of every remarkable institution of higher learning.

For getting the accreditation from various organizations as well NIRF Ranking of the Institute, I, personally and on behalf of the Institution, invite your cooperation & support to spare some time to fill up the attached Google Form to create database of NIT Hamirpur Alumni.

After 34 years, India got National Education Policy (NEP-2020) and the Institute indeed is going to implement NEP at the earliest. Institute is also in process of drafting new "**Strategic Plan**" with 15 years time-frame in mind. I have asked Deans to offer their valuable comments/opinions regarding where they would like to see NIT Hamirpur in 2036. Also, Dean (Alumni & Resources) will share with you the "Strategic Plan" for your suggestions.

I wish to have your full support and help in getting connected to all the remaining Alumni.

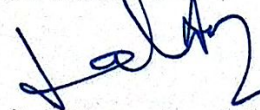

Further, I hope your achievements and accomplishments will always keep the Institute flag high.

Greetings and best wishes,

Best of luck to you all.
