## About the Institution

National Institute of Technology Hamirpur is one of the thirty NITs of the country, established in 1986 as Regional Engineering College, as a joint and cooperative enterprise of the Govt. of India and Govt. of Himachal Pradesh. The goals of the institute as embodied in the logo are truly remarkable in their scope of vision. The Institute provides Undergraduate, Postgraduate and Doctorate Education in Engineering, Sciences, Humanities, Management, and Architecture; fostering the spirit of national integration among the students, a close interaction with industry and a strong emphasis on research, both basic and applied.

## About the Section

The section looks into the Consultancy Projects and Testing for external agencies. The section is also a link between the Funding agencies for research projects and the faculty researchers. The Rules/Guidelines have been framed to create conducive research environment in the Institute. The industrial assignments are also undertaken in the domain of specialization of the faculty members. Sponsored Research Projects have been sanctioned by the various agencies/organizations of the Central and State Government viz. DST, SERB, DRDO, CSIR, ICSSR, HIMCOST, RMSA, Disaster Management, Municipal Corporations etc. The section is instrumental in collaboration with other agencies through Memorandum of Association/Understanding.
