About the Department

The Department of Architecture was established in 2000. The Department has been imparting Quality education to B. Arch & M. Arch. (Sustainable Architecture) students by reviewing its curricula from time to time, modernizing its laboratories with state of the art equipments and latest softwares. The classrooms are well equipped with all modern electronic audio-visual facilities. Presently, the department offers a five-year undergraduate course which includes semester training and two year M.Arch. (Sustainable Architecture) as per the norms of the Council of Architecture. The department has a very cognitive work environment where innovation is encouraged.

Planning and Architecture for Hill Regions (PAHR-2024)

About Participation
