National Institute of Technology Hamirpur, Himachal Pradesh, is one of the leading Institute of India, imparting UG, PG and Ph.D in Architecture & Engineering streams. Department of Architecture is committed for the cause of Sustainable Development encompassing; The Vision of the department that is, to be a leading department in the region while providing the highest quality of education and develops responsible, educated, and professional architects. The department of Architecture was established in 2000 and was the first Deptt. in the Himachal Pradesh state to offer B.Arch course. At present the Department is offering B. Arch & M. Arch. (Sustainable Architecture) and PhD programme.

The Ministry of Education (MoE) through MoE's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation and start-up ecosystem in education institutions.

At NITH the IIC works under the Dean (R&C), the IICs' role at the institute is to engage faculty, students and staff in various innovation and entrepreneurship related activities such as ideation, Problem solving, Proof of Concept development, Design Thinking, IPR, project handling and management at Pre-incubation/ Incubation stage, etc. This will lead to establish the innovation and entrepreneurship ecosystem at NITH.

“Opportunities and Challenge in Architecture & Allied Profession”

Schedule of the Symposium

SYMPOSIUM BRIEF:

This is an invitation to those who envision, create, and evangelize an idea to seek out economic and social opportunities with a problem solving mindset. This lecture series will focus on different challenges faced by young professionals related to architecture and allied fields. In this symposium, the invited entrepreneurs and professionals would deliver on the various aspects of entrepreneurship, career building, and start-ups. This would facilitate the participants to orient themselves with the market practices to find accurate career options.

VENUE

Symposium will be conducted as under:.
