(An Institute of National Importance under Ministry of Education)

Notice

This is for the information of all students of NIT Hamirpur who have applied for various scholarship schemes either on NSP portal or on their respective state government portals. It has been told through various notices issued through this section that students must submit the hardcopy of their documents along with their signed scholarship application through registered post to Student Welfare section. Also soft copy of documents attached with signed application (scanned from original documents only) must be sent through email at vipinthakur@nith.ac.in. In absence of both these documents, it is difficult to ascertain the authenticity of scholarship application submitted and hence not possible to verify all such applications leading to rejection of application from the portal itself.

Hence it is reiterated to send hard and soft copy of your signed application along with desired documents as soon as possible so as to reach well before the closing date for further verification of your scholarship application failing which your application shall be considered as incomplete and hence liable to rejection.

Dean (Student Welfare)
NIT Hamirpur
