There are eight letter grades: A, AB, B, BC, C, CD, D and F. The correspondence between letter grades, grade points (on a 10 point scale), percentage marks and academic performance is given as:

Letter Grade	A	AB	B	BC	C	CD	D	F
Grade Points	10	9	8	7	6	5	4	0
Marks (%)	$\geq 80$	$<80 \ \&\geq 70$	$<70 \ \&\geq 60$	$<60 \ \&\geq 50$	$<50 \ \&\geq 45$	$<45 \ \&\geq 40$	$<40 \ \&\geq 30$	$<30$
Academic Performance	Outstanding	Excellent	Very Good	Good	Average	Below Average	Marginal	Fail

The following are the general guidelines for the award of grades:

- (i) All evaluations of different components of a course announced in the course plan shall be done in terms of marks for each student.
- (ii) The marks of various components shall be added to get total marks secured on a 100-point scale. For any course, the above table will be used to award grades corresponding to the secured marks.
- (iii) A student, who does not appear in the End Semester Examination for any reason, shall be awarded F grade irrespective of his/her performance in the Internal Assessment.

- (ii) GPI based on academic performance during the entire enrollment period of Master Programme [Cumulative Grade Point Index (CGPI)]

#### 7.4.1 Semester Grade Point Index (SGPI)

The SGPI (Semester Grade Point Index) is an indicator of the overall academic performance of a student in all the courses he/she has registered during a given semester. For example, if the grades awarded to a student are  $G_1, G_2, \dots, G_m$  in courses (say,  $m$ ) with corresponding credits  $C_1, C_2, \dots, C_m$ , the SGPI is given by

$$SGPI = \frac{C_1 G_1 + C_2 G_2 + \dots + C_m G_m}{C_1 + C_2 + \dots + C_m}$$

#### 7.4.2 Cumulative Grade Point Index (CGPI)

The CGPI (Cumulative Grade Point Index) indicates the overall academic performance of a student in all the courses registered up to and including the latest completed semester/supplementary examination. It is computed in the same manner as the SGPI, considering all the courses (say,  $n$ ), and is given by

$$CGPI = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

**Note:** NIT Hamirpur has not evolved any formula to convert the CGPI into percentage. However, for the purpose of employment or requirement of any external body that NIT Hamirpur Master student wishes to join, the CGPI may be

notionally converted to percentage by multiplying the CGPI with 10. This is applicable to all Master Students since adoption of Grading System for Master Programmes. Moreover, the Institute shall not issue any separate certificate/document in this regard.

### **7.5 Improvement in CGPI**

A student who has passed all the requisite courses of a programme but fails to score minimum requisite CGPI for the award of degree, may be allowed to improve

1. By appearing in Supplementary Examination in the course(s) where he/she has scored D grade(s), provided he/she is allowed to continue in the programme as per Clauses of Section 9. Marks in Continuous Semester Assessment and Mid Semester Examination shall remain same as per the previous record.
2. Continuous Semester Assessment and Mid Semester Examination of the course (theory, practical, project, etc.), where he/she has secured D grade and has less than 50% marks in these components (reduced marks in case of attendance is less than 75%). However, the student will only be allowed to register after completion of minimum residential requirement given in Clause 9.2. This registration will be allowed along with students of regular semester at that point of time where this course is floated (odd semester or even semester). The requests of the student to resolve any clash in Time Table and allotment of hostel will not be entertained. Marks secured by the student in Internal Assessment and End Semester Examination during this semester registration will be counted for awarding the grade.

### **7.6 Supplementary Examination**

There shall be a Supplementary Examination every year during June/July as per the schedule mentioned in Academic Calendar. The weightage of Supplementary Examination will be same as for End Semester Examination of respective subject. Following are the eligibility criteria to appear in Supplementary Examination:

1. A student who registered for a course during the regular semester and who got F grade after appearing in the End Semester Examination.
2. A student who registered for a course during the regular semester, but, could not appear in the End Semester Examination.

### **7.7 Grade Report Card and Transcript**

A copy of Grade Report Card shall be issued to each student at the end of the semester. A duplicate copy, if required, can be obtained on payment of the prescribed fee. Transcript contains the record of the grades obtained in each and all Courses, Projects and Seminars registered by a student during his/her entire Master Programme. It also includes the courses which have been repeated and/or replaced. Transcript can also be obtained on payment of the prescribed fee. The Grade Report Card and Transcript of a student can be withheld by the Institute if he/she has not paid his/her dues, or if there is a case of indiscipline pending against him/her.

A student, teacher or other functionary of the Institute can report case of misconduct to this Committee for consideration. Further, in very exceptional circumstances, the Chairman, Senate may appoint a special committee to investigate and/or recommend appropriate action for any act of gross indiscipline involving an individual or a number of students, which, in his/her view, may tarnish the image of the Institute. The recommendation for any action, including expulsion of a student from the Institute, shall be referred to the Chairman, Senate for its final decision. In rare exceptional cases on the basis of recommendation of duly constituted committee, the SENATE may not recommend a student, who is found guilty of some major offence, to the BOG for the award of a degree even if he/she has satisfactorily completed all the academic requirements from time to time.

### **12.5 Appeal Against Termination**

A student whose programme is terminated/cancelled on account of inadequate academic performance or otherwise has the right to appeal to the Chairman, Senate for reconsideration through DMPC and SMPC (**Annexure: MPP-09**). While making the appeal, he/she is expected to give reasons for his/her poor academic performance and/or to explain why his/her position merits reconsideration. The SENATE shall take a final decision after considering all the available inputs. However, the Chairman, Senate may not entertain any further appeal for review unless substantial additional information is brought to his/her notice. The SENATE normally shall not entertain the appeal more than two times from the same student.

## **13. AWARD OF STIPENDS**

Such stipend shall be paid up to the date of submission of the Final Dissertation. Further, the stipend enhancement of Master Programme students shall be dealt with as per policy adopted by the SENATE from time to time in accordance with guidelines of funding agencies.

## **14. AWARD OF PRIZES AND MEDALS**

To promote and recognize academic excellence, constructive leadership and overall growth and development of students, the SENATE may award a number of Prizes and Medals, established by the Institute on its own or through endowments/grants made by donors, with the approval of the BOG.

The SENATE shall determine the general policy regarding recommendations for the award of the different types of Prizes and Medals available to Institute students. The detailed norms and conditions for the award of various Prizes and Medals (contained in the brochure entitled "Rules and Procedures for Prizes and Medals" of the Institute) shall be framed by the SENATE from time to time.
